To Whom it May Concern:

Re: IMEC Independent Medical Evaluation Company

I have worked with Amy McEathron, April Pike, and the other fine people at IMEC since that firm was founded eight years ago. Prior to that, I worked regularly with Ms. McEathron when she was with another firm.

I wish to commend the outstanding services of Ms. McEathron and all of the people at IMEC for assisting me and my office in the medical-legal aspects of my practice. Focusing as I do on personal injury issues in litigation, it is essential that I have timely access to the very best medical consultants and examiners.

Over the past several years, Amy McEathron and her staff at IMEC have consistently exceeded my expectations. She has been particularly helpful to me for the really "hard" cases, where an unusual specialty or area of inquiry is required. Her firm's services are consistently timely, thoughtful, and responsive.

Please do not hesitate to contact me if you have any questions, or if I may be of any assistance

Very Truly Yours,

FISCHER, BESSETTE, MULDOWNEY & HUNTER, LLP
